

IMPORTANT PROTECTIVE EQUIPMENT REQUIREMENTS

Personal protective equipment, including a hard hat and high visibility apparel, is required:

- on the Landfill Working Face (the active fill area where heavy equipment is working)
- Commercial vehicles (dump body vehicles/trailers, trash trucks, and roll-off trucks)
- Non-commercial vehicles utilizing a dump body truck or dump trailer.

Citizen Disposal Area (the Wall):

- Does not require a hard hat or high visibility apparel.
- Box trucks, pick-up trucks, SUVs, vans, and cars are sent to the Wall to hand unload.
- Non-commercial vehicles with a dump body or dump trailer may hand unload at the Wall.
