You have more important things in this county to worry about than a mask! This county has declined so much over the last several years, crime is up but offenders get PR, people don't feel safe, schools are horrific and people are moving out as fast as they can. I have been in the county for 50+ years and it makes me sad and angry that you are making it so unappealing to live here. Against the mask mandate. Get you head out of the sand and work on the real issues.
