I am FOR dropping the ridiculous mask mandate and I am AGAINST continuing the old mask mandate. These last couple weeks without a mask mandate has been wonderful. Being able to shop in the grocery stores in Charles County and all other businesses without being harassed has been wonderful. Should you ignorantly continue the mask mandate, I will go back to Shopping in CALVERT and St. Marys as well as king George. They're not that far away and it's not an inconvenience to me however it's a huge inconvenience for my business. You are significantly and directly hurting my business so this madness must stop! The other counties are making a fortune of all of us who are not shopping here and those of us who are business owners here are losing money. Get off your high horses and your power trip. You're just regular people like everybody else, you're not "real" lawmakers, so stop acting like you are. Get off your power trip. Stop the madness, stop the maskness..
