I'm 66 yrs old, have cops ,asthma and 4 autoimmune disease's. I have had additional difficulties while wearing this stupid mask that does NOT prevent Covid. When your(my) O2 level drops due to wearing this mask for more than 10 mins, there is a true and Dangerous outcome for myself as well as many others! I have the same problem with my 95 yr old mom that loves to go to the grocery store so she can get out of her home and look at something different! I will now play the race card! It appeared that the majority of blacks wear masks, vote fir masking, and the commissioners of color want to keep us locked down and with masks!!! Not sorry but it is the truth I see and discuss with blacks as I come in contact with them. It's my info that I have gathered , that most blacks will NOT get the vaccine! That's their choice!!! It's also my choice NOT to wear a mask that affects my Copd!!! I have personally seen many black children and older black persons, wearing masks that are filthy, wearing them incorrectly, sneezing and hacking in them, and when I look at them , their mask's are yellow and British from filth! If they are scared of the disease , stay home, wear a new clean mask and change it frequently. However , the rest of the community needs to be able to make a choice as to how to deal with vivid! Many of us have been vaxed and I have done my part with my community in mind. I no longer agree with this mask mandate! Please reconsider the mask mandate, which is illegal anyway.... You d not have the authority to continue with this nonsense!
