Please allow Citizens to make a personal choice on wearing a mask. Please do not rule as a totalitarian government. There are many reasons individuals choose to wear a mask and there are many reasons individuals chose not to wear a mask. You must support individual choice on this topic. You cannot rule that one choice fits ALL, because it does not. Since studies show wearing a mask protects the wearer, then allow them to make that decision for themselves. We know cigarettes kill, alcohol is bad for the brain, sugar causes obesity, but we do not force people to not eat, drink or smoke. Education and facts of the dangers are provided and people choose. Masks are no different. I am asking you to support individual freedom and choice - DO NOT require mandatory face masks!
