I am a server at a restaurant here in Charles County, and I am strongly against a mask mandate. I have noticed a difference in the way I am treated by the guests and how I'm tipped. When I don't wear a mask, I am able to make a much better connection with my guests, they are friendlier to me, and they tip much better. Tips make up my entire paycheck, so when people don't tip, I don't make money. The other servers have noticed this as well. This mask mandate would be hurting people more than helping, as it is affecting our livelihoods.
