I am fully against requiring masks. I work in a small business in La Plata. In order to perform our job we require our clients to remove their masks. If there is a mandate it is guaranteed we will lose business as we will not be able to perform our job. Our clients will go to neighboring counties for these treatments. Our small businesses will suffer all around. Residents will shop outside of the county or even drive to King George to avoid wearing a mask. This would damage our county.
