I am a business owner in Laplata and we have had the option for mask optional for some time now thanks to the town . And my clients have felt the normality of coming to get hair done and not feeling forced to wear . I would like to see Charles county get with the times and let's put this behind us . The virus isn't going anywhere but our patrons are choosing other county to shop in if this goes in effect . Me personally would rather shop in st Mary's then wear a mask everywhere
