I would like to start off by saying. Mask don't work. They have mad me sick and not with Covid. I have suffered from severe dizziness and swollen nose after wearing them. I feel that they impede on communication with the public. School age children are still growing and learning to develop their voice and pronunciation. Mask impede on that. I also feel that kids wearing them for 8 hours a day while their faces are still growing could change the way they look. Please vote NO to mask!! Thank you.
