Wearing a mask should be the individuals right to do so, not be mandated to do so. Our elected officials and celebrities are constantly on TV not wearing a mask, but we the people are told we need to wear one? Also, part of the vaccine campaign was initially broadcasted that vaccinated personnel would not need to wear a mask. If you're vaccinated, you should not have to wear a mask. An indefinite mask mandate is absurd and honestly unconstitutional. I urge you to think this through and think to yourself, when is enough?
