I am entirely opposed to any and all masking mandates. My family of three have tired of the ongoing overreach of the local government. While Charles county has continued to force an unnecessary mandate we have taken our shopping outside of this county all together. Not only because of the mandate but because of the angry and horrible customer service we have received here versus in St Mary's and counties where they find the free choice of their citizens far outshines the control of government overreach. I have shopped freely and without harassment in St Mary's and will continue to do so if this body of members finds their own opinions, with no true data to back these opinions, is more important than the thriving of their local businesses and citizens.
