Please do not reinstate the mask mandate. People need to wear a mask at their own descretion, most of the county is vaccinated, correct? If it appears that the numbers have gone up, please realize that was from when we had been masked. I have family in Florida, where no masks are required, and they are not seeing a significant increase. Please, allow us to see our neighbor's faces so we can feel comfortable in our homes. Please allow us to offer the grocery clerk a smile of thanks when they help us. Please allow us to see the joy on children's faces at this special season. Please allow us to use our best judgement. As someone educated in the Charles County school system, I would like to think that I can make good health choices for myself and my family.
