I am strongly against mask mandates, forcing people to wear masks that collect bacteria, and make people sick. Mask do not prevent sickness, viruses of any kind, and this has been proven by many doctors wearing mask is not only uncomfortable, but infringes on our free will and choice. Mandates are not law. Mandates infringe on our rights. We will not stand for this continued tyranny. We voted you in office to make Charles county a better place for the people. Not bought and paid for by corruption. Do what is right!
