My family is tired of being told how to live. From shopping to eating to attending and watching my children's sporting events. Enough is enough. We all know the "dangers" involving C19 and as citizens we should be allowed to make decisions regarding our own health. The standard changes as the government sees fit (wear masks we will be ok, stay 6 foot apart we will be ok, get the shot we will be ok, get a booster we will be ok) this is never ending and will continue to be so until we put a stop to it
