I am an 89 year old Korean War Veteran. I fought, as so many others, for our freedoms in this country. The freedom to mask OR not to mask. So many of our God given rights are being chipped away AND mandated away in this country and, unfortunately, here in our county. There is NO evidence that masking is effective. People have died do that each of us has the FREEDOM to make our own choices and not have government mandating our health, our lives and rhe air we breathe. Please vote AGAINST this tyrannical over reach!
