Businesses have endured so much during this pandemic. Please don't ask us to be the police of personal behavior as well. Numerous studies have proven that paper and cloth masks are ineffective at preventing the spread of viruses and can aggravate other health conditions. Please stop supporting bad policies and get back to work you were elected to do. The voters will remember true leadership when we vote again, and as a business owner, dedicated volunteer, and active community member, I'll be sure to spread the word. Thank you for your thoughtful consideration in this matter.
