I do not support masking back up. I am fully vaccinated and see no need. I also have asthma and the masks only serve to make matters worse for me. Not to mention the fact that they have lead to me having ongoing medical issues stemming from their usage. The longer you prolong this the worse it will get for our county. My family will not spend a dime in this county so long as you continue to push this ridiculousness. No one is stopping people who want to keep wearing them from doing so. By forcing all to comply or be fined or jailed, you are violating not only our basic constitutional rights, but also the trust of the people who elected you. You are supposed to work for all people in the county, not just one base demographic. You cannot live in fear forever. And if you push this through, you will see the results of your power hungry, self serving decisions come election day.
