As a Charles County resident AND small business owner, I urge you to vote AGAINST this mask mandate. For almost two years the government has mandated our lives and, sadly, it has not been for the better. Masks have NOT been proven to work. People and businesses are suffering. MY business has suffered greatly due to these unlawful shutdowns, mask wearing, and the general fear the government and news media bestows upon us daily. I implore you to allow the citizens of this county CHOICE. Freedom to choose what is best for THEIR family and THEIR business. The commissioners are not in my home watching or helping us as we struggle to make ends meet. So many of my fellow small business owners have closed their doors during this unprecedented time...many others are holding on by a very thin thread. Let THE PEOPLE make their own decisions and care for their families. Bring this community together instead of dividing us...and destroying our livelihoods.
