Absolutely against any sort of mask and or vaccination mandate!! This is not the 1930's Germany area. You County Commissioners we're not voted in to make our County / Country into China or any other communist socialist land! In 2021 it's Unreal how far we as a country have gone backwards from what our forefathers accomplished 1776!! You county commissioners should be sick to what you see when looking into a mirror for what you're Democratic liberal thinking has done to this County and Country.. Republican and or Democrat, just use common sense and the brain god have you... This virus isn't going away and all the mandatory reaction madness has been more negative then positive.
