I am against the face mask mandate. My husband and I have received two Moderna shots and a booster. We have no intention of wearing a mask again so I suppose we will be arrested and held on bail. Unlike the criminals who rob, rape and murder over and over and walk free. Everyone know Charles County just says "Come on Down" , there will be no consequences for breaking the law....so they just keep coming! And, who suffers the most? Our children! They have to wear masks which are unhealthier than any virus and live in an environment where the politicians and judges care more about power and being re-elected than they do about their citizens!!
