Please stop the mask and. This mandate is not proven to help in preventing Covid. It's horrible for our children to have to wear a mask all day in school as it lowers their oxygen levels and can cause bacterial infections as well as bacterial pneumonia. It is also hurting businesses and consumers are going out of the county to ship and dine in neighboring counties and even Virginia. It s also against our constitutional right. Dirty masks are all over our parking lots and sidewalks. We all know the real way to stop the spread is hand washing not mask.
