I don't believe the masks mandates work, I caught Covid personally even when I wore my masks outside my home at all times, I am vaccinated took all proper steps to try to avoid contact, I've spend time in other counties where they aren't required with no effects and I believe the numbers when comparing counties that do and don't require mask are virtually the same numbers, I believe if you want to wear a mask then do so but it shouldn't be done by force, and I will continue to do as much business elsewhere where the mandates are not enforced on us
