I reside in Bryans Road, which is in Charles County, MD. I am opposed to any mask mandate. I prefer to travel to neighboring counties to shop and do fun things where I don't have to be hindered by a mask. I've had covid and the majority of my family members are vaccinated, so I really don't see any reason that I would need to wear a mask. Especially considering there is no scientific evidence that a cotton cloth mask prevents the spread of illness.
