I am AGAINST the proposed Face Covering mandate. People should have the right over their own health choices and not infringe on others'. I am immune-deficient and considered 'vulnerable' to COVID-19, along with the rest of the illnesses, but still maintain this belief. For those who would be uncomfortable going into a mask-less business, they can still wear their own mask and/or use services like curbside pick-up, contactless delivery, etc. Remove the mask mandates!
