Masks should be made optional for the public. If someone thinks they help then by all means wear a mask if it makes you feel that it gives you protection and maybe peace of mind. However, it is my God given belief that we should not cover our face. We are made in the image of God. We also have been given an immune system by our Lord. I am especially upset that school aged children are being made to cover their faces. It is very important for child development for children to see the faces of those around them. I believe this will be detrimental for our children. It's simple really, if masks are made optional then those who want to wear one can and those who don't want to cover their face can go around smiling and breathing fresh air and thanking their Maker that he got ahold of the hearts of those in charge of making this decision for the people. Thank you for your time.
