I am also against it due to the fact that my wife suffers from PTSD and has a medical waiver and she is constantly accosted by folks telling her to put on a mask. She is unable to go out and socialize and the mask mandate limits her freedom to worship with our church family. It has been proven that mask do not stop the transmittal of COVID and mandating it and forcing fines on businesses and people is unconstitutional. You are taking away our freedom and dictating what we can and can not do by enforcing this mandate.
