For one, businesses will NOT survive if this kind of mandate is continued, plus with your new proposal to fine businesses, when residents can shop in other counties without a mask, and without the risk of fines. Remember, a mandate in Charles County doesn't stop Covid from coming from St. Mary's. Secondly, my wife and I caught Covid despite wearing masks in every restaurant, store, drama play, church, etc. IT IS NOT EFFECTIVE. Thirdly, our son has a medical reason to not wear a mask, and we were shamed, harassed, and he was beyond embarrassed at activity lessons. Even though he has a medical exemption, it was demanded he wear one. Lastly, allow residents to make their own decisions. And, looking at the actual statistics, our numbers have spiked when mask wearing was mandated, each time. It's time you allowed Charles County to move on.
