I am against making the mask mandate a law. If this is put into place, I will once again not shop in Charles County or eat in any Charles County establishment. During the previous mandate I took my business to St. Mary's and King George, VA. We left our church in Waldorf and now attend one in Mechanicsville. If the mask mandate is made into a law, we will sell our home of 16 years and move out of this county. My husband has worked from home for the better part of 13 years. We can live anywhere and have chosen up to this point to live in this county with a high property tax rate and an income tax. This will no longer be the case if you mandate that mask wearing will be the law.
