I support the mask mandate to reduce the spread of COVID-19. There should be higher penalties for those businesses that do not enforce the mandate. The mandate should include guidelines about what masks are applicable and which ones do not meet the mandate. CDC has guidelines regarding which masks are applicable and how to wear them. Lastly, there should be a limit on the size of public gatherings as mentioned by Dr. Abney. Our numbers are higher now (with vaccinations available) than at any time during this crisis. I support the mask mandate, but ask the Commissioners to pass emergency legislation to limit the number of people for gatherings, including churches, stores, theaters.
