Please reinstate the mask mandate in Charles County. This new strain is very contagious and we need this extra protection. We were in Nick's of Clinton this week and the number people without mask was unacceptable. I have lost love ones to COVID and I don't want anyone to suffer the pain that we are still suffering. My cousins step son is in rehab with trach tube in and his lungs are completely scared and he may be on oxygen for the rest of his left. I know God would ware a mask to protect his follows so just do it.
