We need to stop criminalizing the unmasked. This is a place of freedom and needs to remain that way. People can make up their own minds about wearing a mask or not, based on their individual circumstances & comfort level, it should not be forced. Covid is here to stay, like the flu or common cold, so we all need to understand & accept that fact. We can't continue this fear culture. I pray that our commissioners make the right choice- the choice to educate instead of forcing this unreasonable rule down everyone's throats. Businesses can't be expected to enforce this, so who will enforce it? Citizens? Police? What a waste of time & money.
