I submitted once but am again. I am against a Mask Mandate. As a business owner it is my choice as to whether people have to wear mask or not. As an asthmatic, the mask exacerbates my condition. You said in your own meeting that you don't believe in mandating anything, yet you are trying to implement one now. You say mask mandates don't hurt businesses, then tell me why my business is showing a loss again this year.....because you fear mongering people have them terrified to go out in public. People are shopping where they don't have mask mandates. Stop pushing your fears off on others. If you want to wear a mask, do so, but do not force me to do so! I sincerely hope ReOpen Charles takes you to court again over this another abuse of power move you are about to make.
