Dear Commissioners, I am opposed to your illegal attempt to reinstitute a mask mandate tomorrow. Firstly, you are disregarding your own promise to the public that you would hold a hearing with open comments, which you could have done on December 15. You do not have emergency powers as those are delegated from the Governor. And finally, even if masks worked, only the Governor has broad authority to direct persons in a health emergency. Therefore, requiring individuals to cover their faces in public would be reserved to the Governor's broad quarantine authority under the Health Emergency act which the Governor has NOT invoked since August 2021.
