To whom it may concern I am 100% against the mask mandate as we all can see it has done nothing at all if it worked people would not be getting the democrat flu that has been lied about over and over on the democrat controlled media why not let everyone make their own choice if they want to wear one or not this is AMERICA not some foreign communist country where dictators rule so please have a heart and lighten up your probably going to get the flu no matter what you do and your going to live.
