Charles County Commissioners: My name is John Chappelle. I am the 2021 Chairman of the Board of Directors for the Charles County Chamber of Commerce. I also serve as Executive Vice-President, Chief Digital Officer for Community Bank of the Chesapeake. In early December, The Charles County Chamber of Commerce conducted a survey of its membership to gauge the sentiment of member businesses regarding the proposed regulation which would institute a Charles County Wide Mask Mandate. I have provided a copy of the survey questions used and results for review. As shown in the results of the survey, 64% of responding Charles County businesses do not support a mask mandate in Charles County. County businesses may not be against masks, however, the majority are opposed to mask mandates and the necessary enforcement of any legislation mandating the use of masks in County businesses. Charles County business owners deserve the right to operate their businesses in the manner they feel best for their customers, employees, and community. All of us, as individuals in a shared community, are responsible for our own health decisions and should make decisions and take precautions to best protect ourselves as we feel most appropriate.
