mRNA is unproven and contains unsafe "spike proteins" that have been poorly tested and can cause major and permanent damage. Secondly, this is not a real "pandemic," obviously, but a crisis created by government and media support of investing our tax money in what is really an experiment. 3. kids are not in need of any vax for what is an easily treatable virus. The vax is a permanent change in the childrens' genes. this is horrific. 4. The World economic forum is using this so-called pandemic to usher in totalitarian surveillance and "digital ID" -- the hidden motive for the shots.
