I've been a Charles county resident for 50 years. I am a registered nurse and have been working for 45 years in the local community. I am against the mask mandate. I do not believe it is effective way to contain Covid. I do not believe the county commissioners have the authority to force citizens to wear masks against their will. If the mask mandate is back in place I will shop in Calvert County and St. Mary's County for my needs. I prefer to support the local businesses. But if you require mask you leave me no choice. but you will leave me no choice. Let each resident make their own decision about wearing masks. Thank you.
