I am against the requirement to wear face masks. Face masks should be a choice. If you want to wear by all means wear it. Don't force me to wear it. I have been forced to get vaccinated and feel that I should not be forced to wear face masks. The face masks cause people to touch their face and their contaminated face mask and then they touch all other surfaces causing the spread worse than if they just kept their hands away from their face. Stop the madness and let people choose what they want to do. It makes no sense that I can sit at a table to eat without a mask as others pass by within 6 feet to go to their table and that is ok but I can't pass the same person in the store without wearing a mask. STOP THE FACE MASK REQUIREMENTS.
