I am paraphrasing here but as stated. by Connecticut's governor, "Masks don't work. Just look at NYC." The cloth masks are nothing but an ornament and have not slowed the transmission of the virus per the CDC. The only effective masks have been N95 and very few people are wearing them. Furthermore, according to Dr Abney's presentation on 12/29/2021, the vast majority of Charles County's population has been vaccinated and therefore less likely to succumb to Covid 19. Masking or lack there-of has not slowed the spread of Covid 19 so no to the mask mandate
