Let businesses decide whether on not they want to mandate a mask before entering. You are forcing individuals to go to other areas that do not impose a mask mandate. Let the people be free to choose to wear a mask or not. We have been dealing with COVID for over a year, if you look at other areas that didn't pose a mask mandate the numbers a relatively the same so why do it if it doesn't work. It gives people a false sense of security and adds additional controversy to the situation.
