I am strongly opposed to mask mandates. You have no authority for this tyranny and there is no science to support it. New York has the strongest mandates and the highest numbers. Further, have you ever been out and about in the county? The number of people voluntarily wearing masks is stunning. I choose not to wear one. Remember when America stood for freedom? We must live with covid..it is not going away and your ridiculous power grab will not make it go away. Stop the insanity!
