Mandating mask wear is wrong for many reasons, but the biggest reasons is personal freedom. It's up to individuals to choose whether to wear a mask or not, whether to get a shot or not, whether to go out in public or not. It is not in the authority of the county commissioners to make that decision. Disguising this as a health pandemic issue is wrong. And you know it. Additionally, many people like myself will go shopping in other counties if this is implemented. You're only hurting Charles county and the business people in this community.
