I find this overreach of government repulsive and irresponsible. The simple fact that masked and vaxxed people are getting and spreading Covid should be all the insight you need to know that masks (and mandates) DO NOT work! I am sick of these Barney Fife store employee hustlers attacking/shaming/ostracizing/discriminating against/belittling me because I don't wear a mask. Everyone is a freaking epidemiologist now with their self proclaimed, media approved street degrees. Give me a break! Kids in school are wearing the same disposable mask day after day, tucking them in backpacks or purses, picking them off the floor of their cars or out of their pockets! It's absolutely DISGUSTING!! Masks are immediately contaminated once they are touched or fall to the ground or placed in a bag or pocket - kids are not changing masks all day long!! And, if my family of 8 changed masks at a minimum of 5x/day it would cost my family +\$5000/year!!! This is absolute insanity!!! $8\text{ ppl} \times 5 = 40/\text{day} \times 365 \text{ days} = 14,600 \text{ masks/year}!!!!$ Multiply that by \$.39/mask!!! Let me help ~ that's \$5,694.00 taken away from my family that we NEED for food, medicine, necessities. We don't have any disposable income to finance masks made in China! STOP playing God!
