Against Topic

#### Comment

I am AGAINST mask mandates. The actual data shows that masks are next to useless unless N-95. Masks give me a rash, breakouts, and make it difficult to breath. And also fog my glasses making it difficult to see - a possibility dangerous situation. If people make their own decision and want to wear a mask, so be it. I shouldn't have to wear a condom so my neighbors don't get pregnant. This used to be a free country. Not communist.
