This has got to stop. Mandating the useless mask will not do anything to prevent covid. It hasn't in the past and won't now. What it does do is provide tyrannical control over a small body of people who don't have my permission. You work for Us!!! Not the other way around. Stop with your control. Let the people decide their own health issues. I will not be staying in Charles County. Not shopping here. Not going anywhere near it if this passes.
