Mask mandates do not work! Look at every other county with mask mandates and they have high transmission also. Requiring masks for businesses causes loss of revenue for already struggling business owners as people will shop in other counties that do not require face coverings- ie St. Mary's and Calvert county !! Also most business owners do not enforce the mask mandate. Charles county is going to loose citizens moving out of the county if commissioners keep intruding on the freedom of its residents. Move on!
