Please please please put the mask mandated "Law" back in place!!! I work retail and this would greatly benefit us, as I can't tell you how many customers complain that we have customers in the store without a mask and they don't feel safe and they are not happy that we are risking our health. Please place the mandate or law for all of Charles county, and follow up with churches as I attend one and wear my mask but they don't plane on enforcing it at all.
