Please add my name to the list of people in favor of a mask mandate to reduce the spread of Covid 19. This mandate is long overdue. A mask mandate will allow people to work and shop more safely. It defies logic that people who oppose the County requiring the wearing of masks to protect the health of our community are willing and able to follow the requirement to wear pants in public. The County should also adopt DC's policy of requiring proof of vaccination at specific types of venues.
