There is NO legitimate justification for this proposal You folks are just trying to be " in step " with the left wing administration in Washington, D C Are you trying to set a precedent for the remainder of our State ? Just out of idle curiosity, HOW in the world would you EVER conceive of any sort of effective implementation or enforcement mechanism ? Perhaps you would choose to use a " bounty hunting " system such as that now in use in Texas relating to abortion ..... JUST DON'T DO IT !!!
