I am opposed to the Commissioners being given authority to act as the County Board of Health and opposed to any mask mandates. During the last mandate I shopped in St Mary's County. I don't want to wonder if I need to wear a mask, if I'm going to get a business in trouble. Since the mandate expired in CC I've been back to shopping locally and notice that 95% of people are voluntarily wearing their masks. As it should be. Let us decide what is best for ourselves. Thank you for your consideration.
